DELIBERATIVE

Hi John,

Attached is the latest version of the draft PA that reflects my comments and Jeaneanne's. R4 made additions based on my comments and confusion so I think it is more clear. It also includes proposed bubble comments for leadership to explain things. We're still waiting for any comments from Simma and Tod, but hopefully we can move this shortly. Also, here is the draft transmittal email to leadership to set the stage, so let me know if you have any comments on that.

Matt,

I had just a few comments. They are included. I am also good with the proposed note to management.
